 11. Fold ears in half lengthways and using the length of wool attached, sew both ears on towards the back of the head starting about 3-4 rows from the top and meeting down centre back of head
- TIP - Before cutting yarn from sewing on 2nd ear, sew a few stitches through both ears lengthways and pull tight. This helps to shape the bunny's head and hold ears together.**
12. Embroider nose, mouth and eyes. Slightly pulling thread between the eyes helps to draw in and shape the head. Add a tail (lazy daisy flower with a French knot centre works well)
 13. Tie a ribbon around the neck
